We would use your vet unless in emergency. All pets should have been wormed and flea treated recently. Should any pet on arrival require treatment for internal or external parasites (fleas, worms etc) then a charge will be levied for this.

Cats should be collected within opening times as agreed at the time of booking and boarding. Payment is required upon collection by cash, cheque or bank transfer.

6: If applicable, please note all pets boarded are insured while in our care, excluding fees of death in connection with any condition that existed prior to boarding, or the cost of cremation.

We reserve the right to dispose of animals not collected within 14 days of the stated departure date if there is no communication from the owner/s or guardian and efforts to contact the owner fail.
